

**ADDENDUM "C" TO ANIMAL WASTE STORAGE FACILITY
MEMORANDUM OF UNDERSTANDING**

**TO BE COMPLETED BY THE
LEBANON COUNTY CONSERVATION DISTRICT**

☐

The foregoing applicant's animal waste storage facility design has been reviewed and is in compliance with the guidelines in the most recent editions of the Section IV Practice Standard and Specifications of the Pennsylvania Soil and Water Conservation Technical Guide and the Pennsylvania Department of Environmental Protection Manure Management Manual and their revisions, supplements and successors, and is therefore recommended for approval by the Lebanon County Conservation District. This recommendation for approval shall not be construed to be an approval of the management actions taken by the permit recipient to which they are obligated by the above standards as well as the Pennsylvania Nutrient Management Act where applicable. *It shall be the responsibility of the applicant to notify the municipality of the date, time and location of the pre-construction meeting.*

☐

The foregoing applicant's animal waste storage facility design has been reviewed and is recommended for disapproval. Specific reasons for recommending design disapproval, including the underlying guidelines which form the basis of the recommended disapproval, are attached hereto.
