Adjournment:

Can we discuss an item that comes up without amending the agenda? Yes. The act specifically requires that the agenda be amended before the board or commission takes official action. Act 65 does not require that the agenda be amended to discuss an issue. However, if the board does discuss an issue that was not listed on the agenda and determines that official action cannot wait, then the board would need to first vote to amend the agenda and then vote to take the desired action.
