MEMORIAL TREE DONATION

The Township has several parks and will accept donations of trees to be planted as memorials to loved ones. If you have an interest in planting a tree, please fill out the form below and return it to the township.

We will not allow any pine trees to be planted. A Landscaper or the Donor are responsible for the planting of the tree after meeting with the Township's Road Foreman (610)589-2453) to designate the place for tree to be planted. The Township reserves the right to trim or cut out any dead parts of the tree after planting.

Thank you for your interest.
