Monthly Minutes

Wooden Bleachers- in bad shape. Need new supports and new surfaces. Looking into possibly replacing them with aluminum. Update- we will be looking into getting a quote to have frames built, Hackman Welding? Then get lumber to finish. *Since the bleachers are not safe, Dan suggested and we all agree, that they should be remove before spring ball begins. the bleachers. John will ask the township maintenance crew to handle that. No Update - Justin to follow up in an attempt to get them removed before spring ball starts*

Additional Damage to park- There was additional damage to the park. The items that are damaged- Counter shutter, surveillance 8 channel system, Kwik soccer net and the Forza soccer goal 8ft x 4ft The township sent letters to the parents of children involved giving a March 31 deadline to pay for the damages. *Larger of the 2 was received.*

Discussion was had on the erection of a pole building to store the items currently in the shed that is shared by Rec and Community Center.
